DETAILED ACTION

1. According to paper filed on Sep. 21, 2007, the applicants have filed a RCE.
2. Claims 1-5 are pending in the application.

REASONS FOR ALLOWANCE

3. The following is an examiner's statement of reasons for allowance:

Claims 1-5 are allowed since the instant process for preparing Irinotecan is neither disclosed nor obvious over the prior art. In the prior art, Miyasaka (U.S. Patent 4,604,463, cited on applicant's form 1449) discloses a process for preparing Irinitcan (see example 28 in column 25, lines 32-53) which is closely related to the instant process. However, the process of Miyasaka differs from the instant process by using pyridine instead of 4-dimethylaminopyridine and furthermore, lacking polar aprotic solvent in the condensation reaction.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
